The 0, the 2 and the 4.5 Maximums are called by the Referee and must be applied by all judges.
Individual judges may follow the maximum even if the Referee does not call it.

Double-Bounce: Deliberate. Knees flex to cause diver to leave the board before final take-off.
Crow-Hop: Knees do not flex. Diver is carried off the board by the motion of the board, the flexing of the ankles and the movement of the arms.
